

Damaged Product Eligibility Policy

Document Information

- **Document Name:** Damaged Product Eligibility Policy
- **Version:** 1.0
- **Effective Date:** [DD/MM/YYYY]
- **Owner:** Quality Assurance / Customer Support

1. Purpose

This policy defines the eligibility criteria for accepting claims related to damaged products and outlines the conditions under which a product qualifies for replacement, repair, refund, or credit.

2. Scope

This policy applies to:

- Products damaged during shipping
- Manufacturing defects identified upon delivery
- Transit damage
- Incorrectly packaged products
- Products received in unusable condition

3. Eligibility Criteria

A damaged product is eligible for review if all of the following conditions are met:

- The damage is reported within **7 calendar days** of delivery.
- Proof of purchase is provided.
- Photographs or videos clearly showing the damage are submitted.
- The original packaging is retained where applicable.
- The product has not been intentionally damaged or improperly used.
- The product serial number or identification label is intact.

4. Eligible Damage Types

The following damage types may qualify:

- Physical breakage
- Cracks or dents

- Missing components
- Water damage during shipment
- Manufacturing defects
- Packaging damage resulting in product damage

5. Non-Eligible Cases

Claims may be rejected if:

- The damage is caused by customer misuse or negligence.
- The claim is submitted after the reporting period.
- Normal wear and tear is reported as damage.
- The product has been modified or repaired by an unauthorized party.
- No supporting evidence is provided.

6. Required Documentation

Customers should submit:

- Order number or invoice
- Product serial number (if applicable)
- Clear photographs/videos of the damaged product
- Images of the shipping package
- Description of the issue

7. Claim Review Process

1. Customer submits a damage claim.
2. Customer Support verifies the documentation.
3. Quality Assurance reviews the claim.
4. Eligibility is determined.
5. Customer is notified of the decision.
6. If approved, replacement, repair, refund, or store credit is processed.

8. Resolution Options

Eligible claims may result in:

- Product replacement
- Product repair
- Full refund
- Partial refund

- Store credit

9. SLA

Activity	Target
Claim acknowledgment	Within 1 business day
Initial review	Within 2 business days
Final decision	Within 5 business days
Replacement shipment	Within 3 business days after approval

10. Exceptions

Exceptions may be granted for:

- Carrier-confirmed shipping damage
- Manufacturer recalls
- Large commercial orders with contractual terms
- Other cases approved by management
